Day 1 - Gilgandra...

START WITH A COFFEE AND WANDER GILGANDRA'S MAIN STREET

A country town wouldn't be complete without a great main street - and that's just what you'll find on Miller Street! Restaurants, cafes, a bakery, boutiques and gift stores are all within a short walk.

TAKE YOUR BIKES, SCOOTERS, AND PRAMS ON THE WINDMILL WALK

Follow the cut-out Coo-ee marchers along the 2km (one way) trail and find out why Gilgandra is known as the town of windmills. You'll also walk along the 'upside down' Castlereagh River, a natural marvel that will have kids and adults alike scratching their heads.

STEP BACK IN TIME AT OUR MUSEUMS & GALLERIES (COO-EE HERITAGE CENTRE TEMPORARILY CLOSED FOR RENOVATIONS)

Linked by the Windmill Walk, you'll find there's plenty of history to soak up at the Coo-ee Heritage Centre and Gilgandra Museum.

You'll feel the Coo-ee spirit of mateship and community at the Coo-ee Heritage Centre as you learn about the 1915 Coo-ee March, get a taste of history and see the exhibitions from local and regional artists.

Then, discover life throughout history, with interactive displays and plenty of machinery to inspect at the Gilgandra Museum. See an original Howard Rotary Hoe, which was invented right here in Gilgandra! You can also see our place in the World's Largest Solar System Drive - we're Neptune!
